DE LINATION OF WAJGR WILLIAMS.

PARIS, March 3, 1855.

DEAR Sirs: I have had the nomination so flatteringly tendered to me by the convention of the friends of Temperance, held at Louisville on the 13th of December 1ast, under the most anxious consideration from that day till the present time. The great and only object of selecting with me has been so to shape my course as that the cause of Temperance will be unit of the surface of the su Washingt its reported comparatively about red and quest.

Washingt its reported comparatively about red and quest.

The Com. Perry gets from Congress an extra \$20 , a hand ome add tion to the services of plate, &c., being decre d elsewhere.

The citizens of the Capital have presented See afor Dawson with a silver salver, pitcher, and gobbets for the services of the comparative sought of the state, whose devotion to the Temperature cause cannot be doubted.

And now white my better convictions, engintered by the advice and deliberately-formed opinious of others, direct me to decline the nomination, under the firm belief that the politic plants of the State, as such, will not longer the firm the politic plants of the State, as such, will not longer the firm the such that the politic plants of the State, as such, will not longer the firm the politic plants of the State, as such, will not longer the firm the politic plants of the State, as such, will not longer the firm the politic plants of the politic plants of the State, as such, will not longer the plants of the politic plants of the
